

Technology Training that Works

IDC TECHNOLOGIES E-Learning 2009-2010 SCHEDULE

| Course | Code | Start Date | Duration |
|---|-------------|---------------------|-----------------|
| Advanced Diploma of Electrical Engineering | DEE | 3rd August 2009 | 18 months |
| Certificate in Power System Harmonics, Earthing & Power Quality for Engineers & Technicians | PH | 10th August 2009 | 3 months |
| Certificate in Project Management for Engineers & Technicians | PM | 17th August 2009 | 3 months |
| Certificate in Mechanical Engineering | ME | 24th August 2009 | 3 months |
| Certificate in Programmable Logic Controllers (PLCs) & SCADA Systems | AU | 1st September 2009 | 3 months |
| Certificate in Hazardous Areas for Engineers & Technicians | HZ | 14th September 2009 | 3 months |
| Advanced Diploma of Industrial Automation | DIA | 6th October 2009 | 18 months |
| Certificate in Instrumentation, Automation & Process Control | IP | 12th October 2009 | 3 months |
| Certificate in Electrical Power System Protection | PS | 19th October 2009 | 3 months |
| Advanced Diploma of Industrial Data Communications, Networking and IT | DIT | 19th October 2009 | 18 months |
| Certificate in Process Plant Layout & Piping Design | PT | 4th November 2009 | 3 months |
| Certificate in Process Control Incorporating Loop Tuning and Advanced Control Strategies | CI | 9th November 2009 | 3 months |
| Advanced Diploma of Electrical Engineering | DEE | 1st February 2010 | 18 months |
| Advanced Diploma of Mechanical Engineering | DME | 8th February 2010 | 18 months |
| Certificate in Programmable Logic Controllers (PLCs) & SCADA Systems | AU | 8th February 2010 | 3 months |
| Certificate in Electrical Power System Protection | PS | 15th February 2010 | 3 months |
| Certificate in Industrial Data Communications | ID | 22nd February 2010 | 3 months |
| Certificate in Power Electronics, Switch Mode Power Supply & Variable Speed Drives | PE | 2nd March 2010 | 3 months |
| Advanced Diploma in Industrial Automation | DIA | 8th March 2010 | 18 months |
| Certificate in Project Management for Engineers & Technicians | PM | 15th March 2010 | 3 months |
| Certificate in Instrumentation, Automation & Process Control | IP | 15th March 2010 | 3 months |
| Advanced Diploma in Data Communications, Networking & IT | DIT | 12th April 2010 | 18 months |
| Certificate in Mechanical Engineering | ME | 12th April 2010 | 3 months |
| Certificate in Safety Instrumentation Systems for Process Industries | SS | 19th April 2010 | 3 months |
| Certificate in Troubleshooting & Problem Solving of Industrial Protocols | IU | 10th May 2010 | 3 months |
| Certificate in Process Plant Layout & Piping Design | PT | 8th June 2010 | 3 months |
| Certificate in Hazardous Areas for Engineers & Technicians | HZ | 15th June 2010 | 3 months |
| Certificate in Electrical Power System Protection | PS | 5th July 2010 | 3 months |
| Advanced Diploma in Industrial Automation | DIA | 5th July 2010 | 18 months |
| Certificate in Instrumentation, Automation & Process Control | IP | 12th July 2010 | 3 months |
| Advanced Diploma of Electrical Engineering | DEE | 2nd August 2010 | 18 months |
| Certificate in Programmable Logic Controllers (PLCs) & SCADA Systems | AU | 9th August 2010 | 3 months |
| Certificate in Industrial Data Communications | ID | 6th September 2010 | 3 months |
| Certificate in Project Management for Engineers & Technicians | PM | 5th October 2010 | 3 months |
| Certificate in Safety Instrumentation Systems for Process Industries | SS | 11th October 2010 | 3 months |
| Advanced Diploma in Industrial Automation | DIA | 25th October 2010 | 18 months |
| Certificate in Mechanical Engineering | ME | 1st November 2010 | 3 months |
